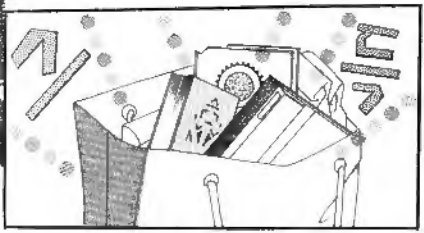
Um.., sis ...

Are you thirsty ?
Is it for me ? Wow ~ thank you !
She was so cute. Isn't she a daughter of a millionaire? I am surprised she reacted like that for a can of drink.
When I looked at her closer, her skin was perfection. She's too good to be even jealous of.
Rumor said she was ruthless,rude, and selfish. Maybe it was wrong.
I see..., you excel in one area and you become popular.
Considering Aram's comeback, I guess this is good. I feel bitter though.
Because, if Ha Ji is light, Aram is darkness ...
Jamimes
www.janimes.com

Ah....
Early stage of gastritis ?!
Yes, it seems to be caused by a nerve disorder. It should be all right if you are careful.
Stress ? Are you talking about my daughter ?!
As her mother, I assure you that she doesn't even know the meaning of the word !

Stress....
an inflammation in her stomach caused by stress....
No way ! That eating machine cannot have that kind of high-class illness !
Tell me ! Why are you keeping your mouth shut ?! What kind of complaints do you have ?
The bed cover is too dirty !

Janimes
www.janimes.com



Are you that happy?
Of course !
Last time I won in a festival, all
I got was few notebooks.
Rich school is different after all.
They gave me a dictionary,
a bag, and a gift certificate ....

If I show these to mom, she'd treat me big time.
I see your mother feels rewarding when you bring those things to her.
Who's on duty this week ? Get those balls out of the classroom.
Don't ask me. I hurt my legs.
Should I show these to the stepmom?
Just don't expect the same reaction as your mother's.
I will take these. Gym storage room, right?
What the ..., was she an easy going person like that?
That's unexpected.

Janimes
www.janimes.com

I thought people were gathering for something at the festival. Were you there ?
I've been thinking... perhaps she doesn't have the ability to learn at all.
The basketball game was something. I bet you were itching to join.
Did you see my class' play ? We won basketball and volleyball both !
Besides, I conquered all the goodies from the athletics sports.
Ah.., what do I do now. If I break the rules one more time, I will be fired !
No ! No ! No ! That monster !
But ... Aram's virginity is depended on this ....

www.janimes.com

Hmm
am tired
am surprised that this weak body has come this far but am gonna have myalgia

there is no space to
care for pride

Well this should be enough as a declaration
Stop right there Sin Joo Park
What are you mumbling about and running away? Make yourself clear
Aren't you a kind of girl who is only interested in strong men ?

www.jahmes.com

If he is stronger than me to you, his statement has more persuasive power than your excuses
Since I know your affection toward power
What are you saying exactly?
I am saying I apologize for interfering your personal affair

And maybe could have won against him and make him mine
Let s just finish this report

This body's never gonna have muscles on its arms and legs No matter how much trained this body get defeated here and there
ou already have a power to seize 5 men at once How can you say that ?!
Keep complaining about the perfect body ou've acquired the beauty that every woman ever wanted Any men could fall for you
How could you complain when you have acquired that kind of beauty Look at the T v See how many women can complete Aram
Consider yourself lucky for having possessed a kind of face that a master artisan would have to spend countless hours to build
그런 짜

Hey wait don't you have pride Are you going to initiate love attack on him again
Of course my pride hurts
But like him

es
The critical condition to be Sun Joo Park s soulmate
insensitivity
No wonder the destiny has chosen her to be Sun Joo s mate
She hasn't realized But she is getting used to Aram s body
f it was her before she'd have tortured herself and even threaten to get her body back

www.janimes.com

s something troubling you ou look impatient today
No My condition is a little bad today That s all Thanks for worrying about me
He s always kinder to you Maybe he s interested in you
Those faces are certainly mood-killers

Damn
Has she given up on me now
I've poured only harsh words on her
So it's understandable

Of course Those guys who don't fall for you are not men
This body was that much of ideal ? Then why hasn't Sin Joo fallen for me ?
What would have to do ? find men who don't fall for me ?
No I've already fallen for you
It's just that have a little complaint about your way of dressing though
This uniform ? isn't it what every female students wear ?

Is there even a person who will reach your mind?
Why aren't you recognizing me em the only person who will reach your mind
He Ji kang of the Doberman ?

www.jehimes.com

will let you beat me as much as you want until you release your stress
Me too have the key to the practice hall We can use it whole night
won't die from your fists that have yet to be recovered
Sure a bamboo sword doesn't hurt much Of course mom might just bury me alive to save hospital fee though
